Ms. Mary Walsh
P.O BOX 204
Glenhuntly, VIC, 3163.

Dear Mary,

Thankyou for your letter of the 15th of July outlining your request for all members of Parliament to support a Private Members Bill on Choice and Dignity in Dying.

I am on the record as supporting the need for such legislation and will support the need for such legislation and will support an appropriate Bill on this issue should it come before the parliament.

I hope you are well and I look forward to catching up with you soon.

Yours Sincerely,

Robert Hudson
